---

Dear [Name],

I am writing to you in the request of the members of the Board of Trustees of Nassau Community College with respect to the contract that was entered into on January 29, 2013 between the College and Witt/Kieffer for the purpose of assisting the College in its presidential search.

As you know, on June 24, 2013, the College's outside legal counsel, John Gross, sent you a letter in which he informed Witt/Kieffer that it was the intent of the College to continue the presidential search process that was ongoing at the time. As you also know, in furtherance of that process, the Board of Trustees interviewed the two remaining candidates in August. However, as you also know, the Board did not approve sending either of these candidates to the Chancellor of the State University of New York for her consideration.

In light of the fact that the search process that was the subject of the contract that was entered into between the Nassau Community College and Witt/Kieffer has not yet culminated in the selection of a president for Nassau Community College, and in light of the fact that the purpose of the contract, as articulated in its first paragraph is "to retain the services of the Contractor to perform Executive Search services for the College in order to assist the College's Executive Search Committee with the hiring of the College's next President," it is the view of the members of the Board of Trustees that as of the present time Witt/Kieffer has yet to fulfill its obligations under the existing contract. It is our view that the fulfillment of these obligations requires Witt/Kieffer to continue to perform the services specified in paragraph 2 of the contract.

In light of the foregoing, the Board would like to state its expectation that Witt/Kieffer continue to fulfill its obligations under the contract and, as such, continue the search process. Furthermore, we would ask that Witt/Kieffer respond to this letter within fourteen days of its receipt so that the search for a new president can continue promptly or so that we can make a determination as to the legal recourse the College must take as it deems necessary.

Sincerely,

d) Establish Presidential Search Committee – Not called.
Chair Gardyn announced the resignation of Trustee Donnelly.

Dr. Saunders recognized the faculty who received the title of Professor Emeriti and welcomed all back to the new semester.

Speakers

Natalia deCuba, LINCC lecturer, spoke of the successes of the LINCC program and the professional accomplishments of the LINCC faculty. She thanked the NCC Foundation and Maria Conzatti for the professional development grant which will enable Ms. deCuba and Ms. Ashley Fifer to present at the TESOL (Teaching of English to Speakers of other Languages) International Association. Ms. deCuba announced that she received a professional development travel grant from the TESOL organization.

Dr. Edward Boyden, Chair of the Academic Senate, wished all a Happy New Year and expressed his appreciation to the Board for acknowledging the recently retired faculty with the title of Associate and Full Professor of Emeritus.

Frank Frisenda, Vice President of NCCFT, wished all a Happy New Year. He urged the College to develop a more responsive and timely mechanism for the Professor Emeritus being granted so that there would be a shorter time span between the time that they retired and the time that they were granted emeritus status. Developing a procedure for more timely action regarding the granting of emeritus status would enable former faculty members to engage more quickly in activities such as speaking at department meetings, receiving e-mails and using the library. Some of the retired faculty who were granted emeritus at this meeting of the Board have been without privileges such as those since September. He also stated that the College should realize substantial savings in the current year as a result of faculty members retiring and not being replaced or being replaced but by individuals who would receive lower salaries than their predecessors. He noted that during the administration of former President Astrab more than 30 faculty lines were cut while during that time the NCCFT sought, to no avail, to negotiate millions of dollars of savings and concessions as a way of easing the College’s financial stress. Now, he stated it has been reported that, during that same time period, $14 million in tuition and fees were uncollected by the College. However, he stated that during the time when the NCCFT was seeking to negotiate and when it was being "presented with this doom and gloom situation" by the College administration, nowhere was it mentioned that there was 14 million dollars’ "worth of incompetence." He also expressed the concern that these developments raised the possibility of "just how honest and how forthcoming are the numbers that we are getting and the story we’re getting is being portrayed to us." He stated that the NCCFT is going to prepare its own questions and responses to this audit and everyone will be hearing about it shortly.

Phyllis Kurland, Student Activities, presented the Board with NCC freshman orientation hand-outs which are given to freshman for a successful experience at NCC. She invited the Board to the traveling professor program where 15 faculty members will speak on campus this month about their travel experiences around the world.

Dr. Gardyn looks forward to 2014 being a fruitful year for NCC and wished all a Happy New Year.

Chair Gardyn announced the next Capital and Finance BOT Committee meeting is scheduled for Tuesday, February 25, 2014 at 5:00 p.m. followed by the Full Board meeting. The Board will open the public between 6:15 and 6:30 p.m. and resume the public session approximately 7:30 p.m.

Chair Gardyn requested a motion to adjourn the meeting. Trustee Powers moved the motion; seconded by Trustee Cornachio. Motion carried 6-0.
Meeting adjourned at 9:20 p.m.

Respectfully submitted,
