Chair Gardyn welcomed new Trustee Wanda Jackson to Nassau Community College. He announced that the Board of Trustees will establish a new Presidential Search Committee as soon as possible. He also reported that with respect to the NCC adjuncts, the parties would be going back to the table shortly to discuss in good faith going forward. On behalf of the Board of Trustees, he thanked the academic faculty, the NCCFT, the administration for the wonderful spirit of cooperation with the one goal in mind to try to make the situation as easy for the students as possible. “We are all one family; one vision going forward”.
Speakers

Phyllis Kurland, Student Personnel Services, commented on the spirit of cooperation that Dr. Gardyn spoke of with regards to the many volunteers from the full time faculty, part time faculty, and administration who volunteered their time to the success of the August Freshman Orientation.

Ed Boyden, Academic Senate Chair, welcomed Wanda Jackson to NCC. He urged the Board to bring the presidential search to a successful conclusion as quickly as possible because administrative uncertainty is a problem in a number of ways. The College is facing many challenges of all different kinds; financial, academic, many kinds of challenges. We need stability, certainty, and clarity in our leadership. He also urged the Board to consider the experience of the members of the former search committee.

Kimberley Reiser, Prof. of Biology, welcomed Wanda Jackson to NCC. She stated that Dr. Gardyn indicated at the last Board meeting that the Board required additional legal guidance as to what happens next in the process in the absence of 6 votes in favor of a specific candidate. She then asked what was the legal guidance and why weren’t the two candidates brought back for an interview since there is a full Board.

Dr. Gardyn explained that the presidential search committee’s role was to vet candidates and to bring them to the Board. Two candidates were produced that were vetted by the Board of Trustees; neither candidate received the votes to be able to be put forward. At that point they were not advanced. When we went to legal- it’s not 6 against or 6 for; you have to have 6 votes to go forward. Neither candidate achieved that. What we did tonight is to put through a resolution confirming that the presidential search committee did its job. It produced candidates to be interviewed. However, the Board did not accept the candidates, and so the search committee was dissolved.

Frank Frisenda, NCCFT Vice President, welcomed Wanda Jackson to NCC. He commended VP Muscarella and his staff who have made a real difference on this campus. He indicated that he was stunned at the Board’s vote tonight with respect to the presidential search. He stated that the Board had just stopped the process dead in its tracks, and that he was very concerned about that. He stated, "just so you know, we are not going away either."

Chair Gardyn announced the next Capital and Finance BOT Committee meeting is scheduled for Tuesday, October 15, 2013 at 5:00 p.m. followed by the Full Board meeting. The Board will open the public session at 6:30 p.m. and resume the public session at approximately 8:00 p.m.

Chair Gardyn requested a motion to adjourn the meeting. Trustee Donnelly moved the motion; seconded by Trustee Weiss. Motion carried 9-0.

Meeting adjourned at 9:45 p.m.

Respectfully submitted,

John P. Donnelly
Secretary
