Chair Prime announced that as per Article II of the By-laws of the Academic Senate the members of the Executive Committee of the Academic Senate will be provided an opportunity tonight for discussion of the issues related to President Astrab’s veto of the Academic Senate’s resolution regarding reassigned time. This discussion will take place at this point and time in open session prior to conducting any further business of the Board. In this regard there will be no time limit on the discussion by the members of the Executive Committee on this issue.

Chair Prime: Recognizing the importance of the issue, and recognizing the importance for members of the Board to have an opportunity to review and reflect upon the minutes of the discussion we have just had, and further recognizing that the Bylaws of the Academic Senate do not provide for a specific time by which the Board must act upon the Academic Senate’s action. I make a motion that Board action with respect to President Astrab’s veto of the Academic Senate’s resolution on reassigned time be deferred until the June meeting of the Board, which is scheduled for June 21.
