Connecting to a Wireless Network Windows XP

1a. Click Start then Connect To.
Select Wireless Network Connection.

OR

1b. Click the Wireless Message Bubble
If it appears.

IF NOT

Right Click on the Wireless Network Icon and
select View Available Wireless Networks.

2. Select the NCCStudent network from the list and click Connect.

3. After connecting successfully, Close the Wireless Network connection window.
4. Launch your browser software.

5. The NCC wireless login page will appear in your browser window. Enter your NCC-ID and Pin.
