

# LANGUAGES FROM AROUND THE WORLD

To meet the demands of our fast-growing global culture, the Language Center of Lifelong Learning provides a variety of foreign language courses as well as American Sign Language. Class offerings are based on the diverse needs of our students who may want to learn a foreign language in order to travel, converse with family members, attend international conferences, or improve business communications. Foreign language classes are taught at different levels, guiding students in speaking, reading, writing, and listening as well as in developing a familiarity with international customs, cultures, and traditions. Additionally, our foreign language classes can help develop bi-lingual skills for teachers to enhance their marketability. We also offer ASL to people wishing to familiarize themselves with this beautiful language. Students may be required to purchase a textbook or other educational material.
